& 3rd Summer Draw

Well, summer is finally drawing down and the Brewers are still playing competitive ball, a few rough stretches. Come to the social quarters for games and the "Packer-Dot", also available for Badgers games (without food) and enjoy alongside your friends.

Riverfront, although awhile ago, was a great success as well as the dedication event attended by the fabricators (Larsen recycling), most of the installers, our Queen, The YMCA to accept our donation to special Olympics as well as our Mayor, Mike Wiza and his wife. Thanks to all the committee members and helpers.

Also we have a great fall planned for you full of Moose and community activities. Although some are regular, like the back-to-school and the 4th Volunteer Party many are new. We are beginning the planning of a dart tournament and an arm wrestling event. We have the last 3 summer drawings and Gov's Steak Nights.

In November we will be having another charcoal drawing and 3 returning entertainment nights between now and early December. By the way, don't forget to plan on attending the annual trip to Mooseheart on Dec. 2nd for the Treelighting and meet our kids that we care for.

Attend the meeting on the 21st to help us plan our future. Always so much going on, like Dozynki on the 17th of Sept. stay informed, come to all the meetings, WOTM and LOOM. Join us every day!

Administrator's Letter

This was a rough summer, for me, it was way too hot. We had a great time at the dedication. It was a great day that was well attended.

We now have many events in the commitment to be more involved in the community. There is; Back to School this Thursday, the arm wrestling on the 23rd of Sept, A dart tournament and four performers doing a Juke Box Legend night in October. November may see another Afternoon of Dinner and Dancing. Remember to always stay tuned to the power-point, newsletter and the web-site to keep up.

The lodge will be adjusting prices for the fall to keep up with increasing costs of product, utilizes and general supplies. Come in and use the new extended Wi-Fi capabilities to see the new Friday Fish Fry and Grill night menus to be introduced in September. We will be reviewing them in the meetings on the 6th of September.

The meeting on the 21st is very important for the long range success of the Lodge/Chapter. We need to be together or the Lodge simply won't work forever on it's own.

See you here, Mark - Admin., Club Mgr.

We will be putting together fund raising committees. I would like to thank Jerry Rohlinger for the GREAT job he did on getting our Centennial Committee kicked off. Looking forward to a super turnout and some great fund raising ideas.
