Well, thanks for all those that made the end of our year so successful, from Homecoming to Christmas parties, and so many in between; everything went great.

Come on in during the holiday season and spread or share in the joy of Moose. We are going to be having a number of events that are annual, but with a different twist. Starting with the New Years Eve "old timers party" to the Fisheree that is in DuBay again. The Valentines and Centennial meal and meetings are things to plan on.

We may be having a monthly meeting for both the ladies and men to join voices and planning abilities on the third or fourth Monday. Make sure you are heard, and let us know when you can help.

Merry Christmas and Happy Holidays - note special hours of the social quarters through the new year.

The Governor's Corner

Dear Co-workers: Ladies,

A big thanks goes out to the ladies for the wonderful Halloween Haunted House and party, the kids (and a few adults) really had a great time.

We are planning many different meals over the next few "2nd Wednesdays". We have a lot of fun for you to participate and help with.

Thanks to Sue H and her crew for the fantastic Christmas party she put together, thanks for all that came to enjoy!

Remember the centennial and the next 5 - 10 year planning meetings. We need your assistance to continue our success!

Return to Social Quarters before Dec 22nd to enter contest!

As you know, we try to thank everyone as best we can. I wasn't able to get a newsletter out over the end of November until now as we waited for things to get set up. We have a 6 to 12 week cycle for getting things out to our members. If you're coordinating an event, chiring month or have an idea don't wait until the "previous newsletter is out", get the information out asap. I get plenty of "comments" on how things are wrong in this letter, information is generally changed (the actual grammar etc. mistakes are mine, not the proofers) and information needs to get to me ASAP:)

Remember; the social quarters is just that! It is a place for members and guests to enjoy an afternoon or night of fun or just relax! Let's keep it that way! The Moose Lodge belongs to all members! (Most bartenders are members too!) So, when discussions get heated about specific topics, take a step back and reflect the other person's opinion and agree to disagree! Our boards, employees, volunteers and members deserve support and appreciation - it is a tough job to try and please everyone! Let's remind ourselves the purpose of the LOOM and WOTM is to work together towards our common goals. Let's continue to do great things! Come to a meeting, add your ideas to the agenda:) Come back and help make them happen - a good idea needs more than a start!

Thanks for the comradery and fun to the 6 who went on the trip to Mooseheart for Treelighting. Those that did not attend...mark it down {Dec 1st '18} for next year, an event you won't want to miss!

Remember one very important thing; *WE ARE ALL IN THIS TOGETHER!*
