Thanks to Zach, Melissa and Max for bringing up Steven, Roberto and Sylvester. We really enjoyed getting to know , or reacquainted with Steven over the years. I truly hope he is able to come back next year for our 10th anniversary event in April. Thanks goes out to Comfort Suites for the boys room on the house. John and Judy, Scott, Ann and Geno also needs to be thanked so much for the equipment, boat and location for the “annual” fishing. Mary and Loretta did an excellent job “Beaching up” the place and Kryptonite played Steve’s music and more to make it a very special occasion once again. If you didn’t get here, you missed a fantastic meal, activity and chanced to meet those we care for.

Hope everyone is getting ready for some warmer weather. Looks like spring is coming.

As my two terms as Governor draws to an end I would like to thank all the Officers and Members of 1572 and 311 for their help and support for the time I was Governor. It was a joy to work with all. As Jim Gliniecki takes over a Governor, please give him the same help and support you have shown me.

The one person who has worked hard for this Lodge and sometimes does not get the thanks he should is our Administrator, Mark Wanta. So thanks for making the last two years a lot easier. I would also like to thank Cliff Bembenek for all the years he spent on the board of officers and the work they have done. And a special thanks to Chet Rozumialski for the over a decade of being an officer and the countless hours he has contributed to the Lodge's success. It's been an honor working with you.

Lastly, THANK YOU to **all** the Lodge officers that are leaving for the time you have put in to make our Lodge what it is JOB WELL DONE and welcome to all our new Lodge officers. You will do a great job with the Lodge behind you.

Thanks to Everyone again don't forget,

**Be Proud To Be A Moose**

Hello and Thanks for being a member!

There are a lot of things happening at our Lodge and Chapter. Please come and show your support. We still can use some help with RIVERFRONT, among many activities. Check the sign-up sheets for all the things coming up. All the things we do at the Lodge provide us a way to support the things we do like youth sports in the area and Mooseheart along with so much more. Be an informed member come to your Lodge and Chapter meetings.

Thanks to the outgoing officers for the great year of service. Welcome to the new board, please show them support and offer positive suggestions. We look forward to another great year.

We are running a pre-notice of an event we hope will happen on June 17th. This is a local musicians evening of music for CMN & Mooseheart. It is con-currently being set up, stay tuned.

Governor, Jim Gliniecki

Some things bear repeating! We have a number of opportunities coming up to bring in your relatives, friends and associates, AS ALWAYS. New charcoal drawing in May. We have so much coming up you cannot miss but find at least three to participate and help or bring a prospective member to. Stay informed, stay ahead of the crowd . . . Call and let us know you are coming - and/or when you can help. Also, we are doing a community service event each month, both to help the community and ourselves. We may be doing child IDing in the future. If you can help, have other ideas or need to know how to get your charity on the list just call or stop in.

It's always a great day to be a Moose. See you here, Mark - Admin., Club Mgr.
