The Governor's Corner

Summer has ended, and winter will be here. Hope everyone has had a great year so far. I would like to thank Scott and his crew for doing a great job at Homecoming. We had 17 volunteers at our free Vets breakfast. Thanks to all who helped out.

A Thanks goes out to all who helped make the Ladies Craft Fair such a success. Another Thanks goes out to all for making our Pork Fest such a super time. Congratulations to all our raffle and turkey winners. There are lots of things happening at our Lodge - the Christmas parties, New Years and our Preferred Members' party in May.

Sign one new member to the Lodge, Chapter or Legion and go to the preferred member party free of charge. Don't forget elections will be here before you know it. Want to be an Officer? Just fill out a slip and turn it in. A Special wish to each and every one of our members to have a wonderful Holiday season.

WE COULD ALWAYS USE YOUR HELP.

Happy Blessed Holidays and New Year, Governor Steve Hodgkins

There's a Reason We Do the Things We Do

By Mike Rios/Director, Membership

Why do we have to be "plus 1?" Why do we have to attend conventions to receive the leadership award? What difference does it make whether or not we give more to Moose Charities every year? We are a fraternal organization that has a mission statement and strives to maintain a professional standard.

Without structure, there is no organization. Without rules, there is no unity. There is more to the Moose than a single lodge or chapter. Each fraternal unit is an integral part of an entire organization. "Plus 1" shows that we are working to grow.

Without growth, we merely exist. We cannot just exist and still honor our obligations. "Leaders" do so by example. There are many things that can be delegated but if that's all you do then you're just a "coordinator." (Sorry, we don't have a "coordinator" award.) Leadership is vital to the success of any organization.

Every time we turn around, the Moose is asking for money. The same can be said for your utility bills, mortgage and car payment. When you accept the "service" you agree to the obligation. Prices increase every day and so do operating costs.

So, when you ponder the reason for our commitments, think of "real world" examples. Yes, it takes a lot to support such a relevant organization and each of us should be proud to do our part. We don't have to agree on all the rules but we have to agree that they are there for a good reason. The next time you hear someone complain, remind them that it's more than the Social Quarters or our local fraternal unit; it's about what we can contribute to help the Moose to make the world a better place. I believe in the mission of the Moose, do you?
