Dear Co-Workers: Thank you to all who volunteered with Thanksgiving dinner (special thanks to Bill and Mary Kay, Christmas decorating, the Christmas parade, and the children's Breakfast with Santa. The WOTM/LOOM Christmas dinner went very well, thanks to Sue & helpers. I'm sorry I haven't the room to thank all of you individually. Your assistance is always appreciated and needed.

Coming up, we need to have our membership to consider stepping up and running for office. Elections are coming up in March and we need some new blood. Please give some serious consideration to becoming an officer, it is an amazing experience. Remember, we are all in this together for Mooseheart and Moosehaven. It's been a very busy year and I thank you all. May 2018 be the best year ever for everyone.

A Word from the Kitchen

Hello fellow Moose members! I just wanted to take the time to introduce myself — Hi, I am Amy Van Meter, the new kitchen manager at Moose Lodge 1572.

Some of you may know me already as I've been bartending since May 2017 and have been operating my personal catering business, Dilly Dahl Deli, from your kitchen since Aug. 2017.

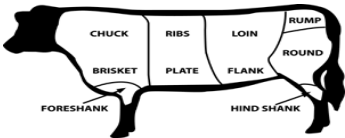

If you've popped in over the past few days, you'll notice some major changes going on in the kitchen - and they are very positive changes. Over the past few days, my newest kitchen colleague, Carrie H., and I have done some scrubbing and organizing and we are very optimistic that these few changes will set the course to updating the menu and providing a consistently great meal every time you come to visit.

While the updated menu may take a few weeks to put in place as we utilize the current food we have, I am looking forward to hearing feedback from you on what you would like to see from the kitchen in the future.

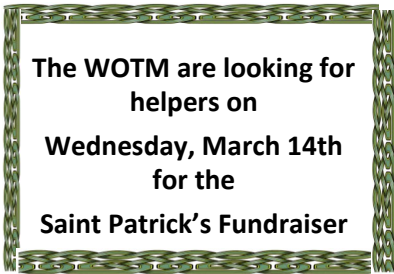

I am usually in and out of the kitchen Monday through Friday if you want to swing by and say "hi!" or you can email me your thoughts at moose1572kitchen@gmail.com.

I am hoping to host an open house for the kitchen on a Monday evening in the future once we have everything flowing - keep an eye out for it!

And again, I would very much like to thank our newest cook, Carrie, as well as Paul M. and Mary H., for the help I've received over the past few days of hardcore organizing - I couldn't have done it without you!

Why We Joined the Loyal Order of Moose

All of us who joined the Loyal Order of Moose joined for a number of reasons. Maybe it was for the number one reason and that was to support Mooseheart the child city. As we read our Moose magazine we can see pictures of the children or the activities they are involved in. We have pictures of some of them in our social quarters. Another reason that maybe we joined is to support our seniors at Moosehaven. Knowing that if the time may come in our lives Moosehaven will be there for us. Knowing we have a place to go where we will be treated with respect and dignity. Knowing there is a place where we can enjoy the rest of our lives with like-minded people. Maybe we joined the Loyal Order of Moose to be able to stop in at any one of the 1600 Moose Lodges in our travels. It's good to know that there are places in our travels that are friendly and safe. Places that are welcoming and offer a wide range of things to do; from food to beverages and much more.

Maybe we joined to give something back to our community or our veterans. It doesn't matter whether we joined to support area childrens' sports, Scouting, Special Olympics, or scholarships for area students. Or we joined to provide fish-fries to our Veterans from King, or to provide a free breakfast to all area Veterans. Or the many other projects our Lodge and Chapter provide. Maybe we joined to be with friends in the social quarters or to have a nice dinner. To have a great place to go and watch a Packer game, play cards, see a show, come to a dance or just visit. All of these things are great reasons to be a Moose member. All of these things are part of the *Mission of the Moose*. We all need to remember that for ANY of this to happen we need support from all Lodge and Chapter members. Ask yourself, when was the last time you were at a Lodge or Chapter meeting? (cont. page 7)

Why We Joined the Loyal Order of Moose (cont. from page 6)

Did you come to a planning meeting? When was the last time you volunteered for anything? We all know things don't happen if no one does them. No one is asking that anyone put in a 40 hour week at our Lodge, but how about 4 hours twice a year. That's 8 hours a year, not much. There are all kinds of things to volunteer for. Look at the sign-up sheets or just ask. Want to see something new to eat on a Friday, maybe some kind of new entertainment? Come to a meeting and bring it up.

We all want to see our Lodge and Chapter grow. How about each of us sign just ONE new member a year. Before you sign them up, tell them about what the Moose does and why you became one. Then ask them to come to the Lodge and enjoy what we offer. Bring them to a meeting. All who can should join The Legion of the Moose. The first step on becoming a Fellow or Pilgrim.

As an added note: we all want to see us keep the members we have and bring in younger members. Reading the Moose magazine, a number of members in the Moose Lodges around the country have said the quickest way to have members NOT come to the Lodges is for members to sit in the social quarters and talk about other members. If any member has an issue with another member, go to that member and work it out. As a Loyal Order of the Moose all this is our mission and each of us needs to remember why we became members. As we enter in a new year your board of officers from the Lodge and Chapter want to express to all to have a GREAT and safe New Year!
