# The Governor's Corner

The leaves are starting to turn, it's getting cooler outside, fall is coming. Hope everyone had a great summer. Our Lodge would not be what it is without all of the volunteers we have. A SPECIAL THANK YOU to each and everyone of you.

Lots of things happening at our Lodge. Please check the calendar to find dates and times. Has everyone signed that one member for the Lodge, Chapter or Legion yet? May is coming fast. It's going to be a fun time. To be invited you need to sign that one new member.

Be Safe, let's make our Lodge and Chapter grow.

Governor, Steve Hodgkins

Remember, your dues support Mooseheart/Moosehaven; your participation and lodge activities support 1572 - **US**.

### ***Member signing hint:***

We all have neighbors, friends, people we go to church with, others we go out to eat with and relatives. I'm sure there are others you know. Tell them about the Moose and what we do. Bring them out for a drink or fish-fry.

Hi Everyone! There's been lots going on in the kitchen and dining room here at the Moose! In the past few weeks, we've finished our walk-in cooler project as well as pressure washed some of our kitchen equipment. People have been also bringing in fresh produce from their garden harvests, which is always appreciated and tasty!

We've also switched the dining room to an autumn theme with the help of Sue Hintz - looking at the dining room wants me to

make a bunch of pumpkin items for the salad bar now. :-) We are also saying a temporary good-bye to our #1 dishwasher, Peter, as he heads south for the winter (the girls and I will work on the dishes, but it will not be the same without his sense of humor). We look forward to his return in May, so if you see him, make sure you wish him safe travels!

With the upcoming updated menu, you will notice that there are new items featured for Fridays as well as slight price increases on meals. The price increase is a necessary evil to make sure that we can pay the bills and last in this area for another 100 years. We hope you appreciate the consistent quality that my staff and I present during our meal services in both food and customer service, and we hope you continue your support by attending meals and referring your friends! Essentially, you are why we are here and you are why we do what we do. We hope you enjoy the upcoming October specials as some of them are unique and are a collaboration of ideas of my entire staff.

Thank you for your continued support, whether it is helping with maintenance, donating vegetables or decorations for the dining room or simply coming in to eat every so often. It is all appreciated.

Have a great autumn and make sure to come to our Harvest Breakfast on Oct. 28th! ---->>>

## Administrator's Letter

### Mostly *Thanks!*

I am so glad when people do the unexpected: Down Syndrome of WI event went wonderful. Our newest Moose of the Year Scott and crew did fantastic. Anna, Emmacado and Jessica were very appreciative.

The volunteers have done a great job getting us through the summer. The riverfront, summer drawings, extra meals, bingo and meat raffles. Now we have to get busy with the fall and winter. We have meals, events, fundraisers and social quarters activities.

Kryptonite, the Packers and members will be here to entertain—members will be providing their talents cooking. Try not to miss too many, the labor is meant to enhance your membership value. These are all opportunities to show your friends the fun and benefits of being a Moose where we do so much for Mooseheart and Moosehaven while giving back to the community.

Plan ahead for the annual Tree Lighting trip, this year on Dec 1st and 2nd. Come on down with us and meet our Moose Senior Portrait sponsor child and his fellow Wisconsin home residents. We will see them again this spring here at the Lodge.

It's always a great day to be a Moose.  
See you here, Mark - Admin., Club Mgr.
