Fantastic hats, horses and fun were in abundance. Judy and her crew did a better job than the jockeys. Everyone had a great time and called for a repeat!

A huge thanks. Over \$300 was donated to the Humane Society. This is how an idea helps the Moose and the community!!

The Governor's Corner

I hope everyone is enjoying the great weather we've been having. There are sign-up sheets for Riverfront and other events. Lend

a hand ,we can always use the help.

I've been thinking lately about our memberships legacy. Seems like every time you turn on the TV there's a new show about this or that person's legacy. I started to think about how each one of us in the Lodge or Chapter would be thought about over time. Would your legacy be that you tried to be that member that signed a new member every now and then, volunteered when you could or attended meetings to be informed. Or will you be the member that sat around the Social Quarters complained about this or that, didn't like the way things were going, but never attended a meeting to voice your complaints. Run for office in the Lodge or Chapter; "you must be crazy". I've seen with my own eyes where members will talk so rudely about people or things in the Lodge that other members have got up and left. I'm sure new members don't want to hear this petty talk. Gee, what a legacy that would be. How about the members that eat a bad meal 10 years ago and still complain about it.

Give the current kitchen staff a try, you will like the food. I would hate for my legacy to be: the one who complained about that bad meal every time he came in, for 10 years.

Is your legacy going to be that you didn't like some of our members and would not work with them or come to the Lodge if "THEY were here"? As sad as this sounds it happens. Who wants their legacy to be that they only liked certain people in the Lodge or Chapter? Is your legacy going to be that you've had great ideas but never wanted to put forth the effort to see that they got done? Another sad way to be thought of as, "He's the one with all the ideas but never wanted to see them come to pass".

There are so many more ways to be thought about, both good and bad. I would hope above all we want to be thought about as being good members of the Loyal Order of Moose or the Women of the Moose. Let's all work on making OUR Lodge and Chapter the best.

Governor, Steve Hodgkins WE COULD ALWAYS USE YOUR HELP.

Dearest Co-Workers: Summer is approaching and many things need attention around the Lodge. If you are willing to plant flowers, pull weeds or water as needed, it is greatly appreciated. Simply call the Lodge and let us know you are interested or just take an hour out of your schedule and do a small area! We generally have the equipment, may need notice to charge batteries/get gas. It really makes the place shine and we are all able to enjoy the results. Hi everyone!

As we go into the summer months (I guess it's summer, regardless of the temps?), we've been planning new offerings in our food and beverage departments.

First, we have ways to reward members for dining in - the Moose Loyalty Rewards Program launched at the beginning of June with the new menu. Members have the opportunity to earn a free meal by coming in and purchasing our delicious breakfasts, our tasty Fish Fries and our scrumptious Broasted Chicken meals along with grill and appetizer nights.

Secondly, beginning in July and running until Sept. 1, if you come in and let the bartender know you rode your motorcycle to the lodge or you just got off the water with your boat (or jet ski for the more adventurous), you have the opportunity to win a bar tab on us! Drawing will be the last day of July and the last day of August for a \$20 bar tab with all tickets entered for a final \$40 bar tab drawing on Sept. 1.

Lastly, we want to promote the fact that we are offering all Friday items for delivery as well as to go. We are also willing to create cheese platters, veggie platters, cold salads, etc. as you go to cookouts over the next few months. Please feel free to contact for pricing.

As always, we hope to see you as we all try to get out and enjoy the weather! If you have any questions, please contact me at moose1572kitchen@gmail.com.

Thanks! ~Amy

Administrator's Letter

I want to take a moment to say thanks to the Legion and Bldg. committee helpers. Even though we signed up for 6 days of extra Moose labor the week before Riverfront and a few weeks later in July; our members have (and again will) rise to the occasion. Since I was the one to accept this opportunity with the final approval (grudgingly - we really don't want to over work our members) from the committees and board.

To address some redress. Last issue I spoke my mind about folks that believed complaints, pointing out shortcomings and too late/after the fact advice *IS* positive. For some folks this is how they believe improvements are made. In the Moose world, most of us like help and/or advise as planning is occurring. Most of us like many committees operating, getting ongoing support and appreciation, as well as post event constructive criticism. So many of us have so much to offer. I have often said "if we always agree, we will miss something, hopefully not too important". I have and continue to love the people I associate with, I hope I really don't hold grudges (unfortunately I may not know for sure). My 25 years at the Moose have been filled with experiences money cannot buy and may not be available at many other institutions.

My greatest hope is to have someone to follow and better EVERYTHING I had anything to do with. I did 23 years ago train a replacement, he preferred to stay retired instead of continue with the demands of this position. I cannot thank enough people from the area, the district, state and international that have played some part in my successes and have helped me with my failures. Some of you may not know how many things go wrong, come up at the last minute, need changes in every aspect of this operation. Without uncountable support no place like this would operate.

Our members have risen above the call of duty so often, saw a need - and got to it.

We need to do it again, let's get the next 100 years off to a good start.

So many of you make it "always a great day to be a Moose".

See you here, Mark - Admin., Club Mgr.
