each meal?

Hello All. Well we've had our first snow flurries and frost. The Holidays are just around the corner. Hope everyone is ready. The Lodge Halloween party was on Oct. 30th and was great fun. Pork Fest will be here soon.

The Kings vets will be here in Dec. for the 3000th Vets meal being served. Many things going on, be sure to check the Calendar so you don't miss anything. A special THANKS to all our volunteers. Without you we could not do the things we do.

It has been brought to my attention that there are some of us folks that don't appreciate other folks in the Social Quarters. We don't have to equally "like" each other, but we need to get along/work together. If you have an issues, tell an officer or better yet bring it to a meeting. We don't need to make any new members uncomfortable to where they don't come back.

This is from the Moose Membership Chairman Mike Rios.

"We are Moose and we do great things! What brings us together is greater than what divides us! I am not here for what I can get but for what I can do. It's time to tear the rearview mirror off and concentrate on our future. If not, we fail. Regardless of our personal differences, we belong to a progressive organization dedicated to providing for our future. Either you're on board or you are an obstructionist; you choose. As for me and my house, we are... Moose!"

Governor, Steve Hodgkins WE COULD ALWAYS USE YOUR HELP.

PS: I'm going to be coordinating some raffles for kitchen equipment starting about Nov. 1st. There will be an amazing variety of items!!!

Dear Co-Workers of WOTM: It gives us great pleasure to let everyone know that our Craft Fair on October 12th was a great success! Thanks to the LOOM and Sally, Vicki and Loretta F. for helping with the Food Court this year. We had great weather and over 650 adults and children attended! All profits are donated to Moose Charities and our Lodge! Thank you everyone for helping and those that were able to attend!

The Kids Halloween Party on October 27th was attended by 36 children and many parents and grandparents! We had face painting provided by artist, Scott Eicher, a craft table to decorate gourds, a cookie decorating table, hot dogs corn dogs, singing Halloween songs with Sue Hintz, floor games and just plain fun! Sherri W. Kathy H., Barb B. Loretta F. Mary K. and Zach Adamski helped provide a successful party! Thank you ladies!

Please consider baking cookies for Pork Fest, Thanksgiving, Vets Christmas Event Dec. 13th and Breakfast w/ Santa Dec. 15th as we are hoping for a hungry crowd ready for raffles and great food! Please call Mark at the lodge to let him know you can help.

Congratulations, Barb Griffin for becoming a Star Recorder! This is a grand honor and Barb is ever indebted to her chapter that supported her throughout the year. Sue Hintz also is eligible for the Academy of Friendship. This will create an opportunity for her to be in the College of Regents.

Attention ALL-we mean ALL WOTM members-we are having our Christmas party the night of our meeting on December 11 at Bills Pizza in the Upper Chalet Room at 5:30 p.m. We are excited to get everyone together. There will be a five dollar gift exchange (optional) and order off the menu. Sign up in the Lodge or email at wotm311@gmail.com by Dec 9th.

December 7th is a Holiday Craft Fair held at the Moose run by Jenny Paque (new member) and we will need help in the Food Court. Please consider being part of our team who will offer chili with the fixins', chicken dumpling soup, hot sandwiches, and assorted desserts. This is our way of gathering money for Christmas presents for our Mooseheart Sunshine Child, Robert.

Thank you for coming to the meetings! Without a Senior Regent, we need you all more now than ever. You are always appreciated. If you would like to help even in small ways, email us at wotm311@gmail.com

In friendship, Sue Hintz, Junior Graduate Regent

**Cut out and keep for talking about
your Moose Lodge/Chapter!**

Hello Everyone! Lots of things have been happening at the Moose especially in the kitchen and we have a few exciting things coming up as we enter Wisconsin winter.

New kitchen events coming up for the holidays include a Holiday Brunch on Dec.1 and a Holiday Cocktail Party for **Members and Their Guests** on Dec. 14th. We hope to see you all at one of these events (or possibly both - lots of yummy food to be had!) Also, the annual dinner for the Kings Vets on Dec. 13th will be a buffet this year!

Now, over the past couple of weeks I have heard a few questions about what I do for the lodge, my personal catering business, etc. I would like to take this time to answer some of these questions (feel free to personally ask me as well).

Q: What's my role at the Moose 1572?

A: In 2017, I was hired to take the role as the kitchen manager working approximately 20 hours per week. My duties include hiring, training, scheduling and maintaining staff as well as covering shifts as needed; creating monthly special menus as well as maintaining a regular menu and ensuring items are priced properly; ordering and keeping inventory on product (I have cut down on vendors due to order minimums so most product I personally pick up; cleaning and maintenance of the kitchen; holding a valid Food Safety Manager license as well as representing the lodge during health inspections; keeping morale high among kitchen staff; and cooking the majority of Friday fish fries. I also have been doing some social media posting for the lodge as well as creating events to encourage the public to come and visit. In return, I am paid and have access to the kitchen for my personal catering business, Dilly Dahl Deli with the Lodge/Chapter having first access. I have turned down opportunities that did not fit in the schedule with Mark, the WOTM and the House Committee sets.

Q: How do members know what hours Amy is working as a lodge employee or working for her deli?

A: I keep a record of what hours are "lodge hours" on a phone application - I am happy to show and explain via a request through the House Committee. Most of the personal business hours occur in the morning to early afternoon and I do assist with the lodge when asked during my business prep time. I do not receive financial compensation from the lodge to operate my business, nor is anyone helping or hanging out with me.

Q: How do we keep the Lodge's and the Deli's inventory separate?

A: The deli has designated shelves in the dry goods area, a shelf in the stand-up freezer and an area in the walk in cooler that I keep my personal deli items on. The menus for the deli differ from the lodge so there is very little room to confuse which entity owns which product. However, the lodge and the deli have a solid working relationship where the lodge has used my deli items at no cost and visa-versa. The deli also regularly donates soup for Friday fish fries. Some of my product has also been donated for Packer games when no one has volunteered to bring food.

The deli has been operated from the lodge for the past two and a half years.

If you have any other questions other than the ones I address, please feel free to come and personally ask - unfortunately, it is difficult to answer questions when one hears them ambiguously after the fact.

To finish this newsletter entry, I want everyone to give a warm welcome to our newest kitchen addition, Jason. He has been training in the kitchen to provide exciting specials on the Tuesday and Wednesday grill nights.

We also want to wish the best to Miss Chloe - she has been an asset to our team since before I came along but has moved on to a new job experience. We wish her the best and look forward to seeing her around whenever she comes to visit. In addition, a special thank you to Chrissy for filling in on some waitressing shifts the past few weeks - you rock!

The next time you'll hear from the kitchen will be in the New Year, so we wish you the best of holidays as we go through November and December and hope you have a chance to take a break out of the hustle to stop by the Moose. As always, if you have any questions

As always, if you have any questions or comments, feel free to email me at moose1572kitchen@gmail.com.

Happy holidays, Thanks! ~Amy

Sometimes my thanks are not enough . . .

Please continue to come in and pitch ideas or let someone know of an opportunity for the Lodge/Chapter. We were lucky enough to have a boy scout troop start up here in the Lodge because Sue S checked into it. We have a craft fair for Moose Wisconsin Home in Dec because Jenny asked if we could help her out of a situation. We have so many of our "taken for granted" events because someone saw an opportunity or need and asked the board and Lodge.

We will be having our 25th annual Fisheree in Feb 2020. Al, Craig, Cliff, Mark, Bob and Jim have chaired it over all these years with a huge cast of helpers. This year we will need a chairmen for the event date (sooner would be good too). It will be organized and set up, but we need someone for that days activities.

Also, please check out the Packer game dot chefs availability, the fans could use some new items and assistance cheering (the Pack could too). The idea is simple; choose a meal, purchase (or ask to have it here) and prepare/serve a simple meal for about 10—17. The Packer dot will reimburse you for up to \$40 for your help (you enjoy the day free). If you have questions just ask Sue.

We have a few new things coming up, a Dec. Breakfast Brunch on the 1st, Holiday Basket raffles as well as the 2nd Annual JR Karaoke contest coming up. Stay tuned.

Remember, the best assistance you can be to the Lodge/Chapter and Mooseheart/Moosehaven is to roll up your sleeves and/or sign new members. We have orientation twice a month, join your new candidates and re-orient!!

So many of you make it **"always a great day to be a Moose"**.

PS we have stopped using pennies in the Moose, everything will be rounded up to a nickel.

See you here, Mark - Admin., Club Mgr.
